

BAKUP-USA

Installation Guide

HONDA MAGNA 750 Driver's Backrest FA & HO

- 1. Remove the two seats and place on a table upside down.**
- 2. Remove the two (2) nuts that hold the pillion seat to the bracket and separate the two seats.**
- 3. Place your backrest over the front of the pillion seat so that that the studs come through the holes in the bracket.**
- 4. Re-join the two seats, install the two (2) nuts.**
- 5. Re-install your seats.**
- 6. Adjust to your liking.**
